Dear Christ the King Catholic School Parents,

Our mission calls us to educate the hearts, minds, and spirits of future servant leaders. Through the Annual Fund we are able to provide improvements needed for academic excellence and spiritual growth in a safe environment so that all students may have the skills necessary to follow their dreams.

The Annual Fund helps to bridge "the Gap" between this year's tuition and the true cost to educate our students. Your gift to the Annual Fund is an investment in our students, faculty, and staff which helps to cover the current year's costs of providing an excellent Catholic education - educational resources, employee health insurance, maintenance, utilities, and other costs - as well as, to forego charging additional fees for expenses such as field trips, extra-curricular activities, and DPL athletics.

We greatly appreciate our Annual Fund leaders, Chairs Jana and Jeff Lovejoy, and our grade level captains for serving CKS to help provide the best for our students.

"As our daughter approaches her final year at CKS and we excitedly prepare for her future, we must simultaneously embrace the closing of such a wonderful chapter for her and for our entire family at CKS. This is truly a magnificent school, and will forever hold a magical place in our hearts.

As part of our way of helping the school that has brought so much value and joy to us, we are honored to chair this year's Annual Fund Committee. As in years past, the goal is to achieve 100% participation again this year, and donations are still fully tax-deductible. 100% of the money raised will benefit the school directly and support the CKS mission to educate the hearts, minds, and the spirits of our children. The School Administration is continuously seeking ways to effectively use resources, to keep operating expenses under control, and to deliver the high quality religious education that we all value for our students.

THANK YOU VERY MUCH for your prior donations of time, talent and treasure..... and THANK YOU in advance for your thoughtful consideration of a financial commitment again this year. Grade Captains will be contacting you, and will be happy to work with you regarding any specific issues or questions you may have. Again, THANK YOU for all you have done, and will continue to do for the school and for our students, and know that your contributions make a very real impact on your child's educational experience."

~ Jana and Jeff Lovejoy

With your support, we will continue to provide quality instructional resources, technology resources, student services, facility improvements, maintenance, sports, extra-curricular activities, and competitive teacher compensation for their outstanding call to serve.

Thank you for making Christ the King Catholic School a nationally recognized school of excellence, as together we continue to build on the strong tradition of Catholic identity and academic excellence that brings the mission of Christ the King Catholic School to life.

Thank you for considering a gift benefiting our Crusaders.
