**Celebrate!
Catholic Schools Week
1/31-2/5**

From the CKS Clinic:

Dear CKS Families,

We would like to take this time to thank you for your continued support of all the COVID-19 safety precautions the Diocese of Dallas and CKS have put in place. We are extremely grateful for your support in keeping our faculty, staff, and students safe while on the CKS campus.

Due to the dramatic rise in COVID-19 cases within diocesan schools, going forward CKS will require all students to remain at home if a household member is symptomatic, there has been a possible COVID-19 exposure, or a household member has pending COVID-19 lab results, even if the other members of the household are not displaying symptoms.

One very important layer of mitigation in place to keep our students, faculty, and staff safe and healthy on the CKS campus is the daily Symptom Screening Form.

If anyone selects yes, (to any of the questions, all students in the family should remain at home.

The student(s) will then be moved to virtual learning.

Please contact the CKS clinic at [214-365-1230/nwrozek@cks.org](tel:214-365-1230) for further instructions.

As per the CKS Re-Opening Plan, "All parents will complete a daily COVID-19 screening form for each student to determine attending school. • If a screening form is incomplete, the student will not be permitted to enter the school."

- Each student should keep an extra clean mask in his/her backpack.
- Each student should keep a personal hand sanitizer in his/her backpack.

CATHOLIC SCHOOLS WEEK

To help celebrate Catholic Schools Week, students can participate in the following fun dress days:

- 2/1 College Shirt/Jersey Day! (Jeans, uniform pants, or Spirit Day attire.)
- 2/2 Carnival Shirt Spirit Day (Jeans, uniform pants, or Spirit Day attire.)
Carnival shirts will be sent home to all on 2/1.
- 2/3 Crazy Socks Day! Wear crazy socks with your uniform.
- 2/4 SPIRIT DAY! Please follow CKS Handbook guidelines.
- 2/5 FREE DRESS DAY! Please follow CKS Handbook guidelines.

BEEN EXPOSED TO COVID-19?
Be Informed: Know Your Next Steps

Chart provided by the Texas Medical Association COVID-19 Task Force

COVID-19 CORONAVIRUS DISEASE

YOU'VE BEEN EXPOSED TO COVID-19
This means you were within 6 feet of someone who tested positive (and was contagious*) for more than 15 minutes with or without wearing a mask.

YOU HAVE SYMPTOMS**
GET TESTED. While waiting on your test results, be sure to stay home and away from others.

YOU DID NOT OR COULD NOT GET TESTED
Isolate and stay home until 10 days have passed since you first got symptoms; 24 hours have passed since you had a fever (without medication); and your symptoms have improved.
NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

YOU GOT TESTED

YOU TESTED POSITIVE
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

YOU TESTED NEGATIVE
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

YOU DID NOT OR COULD NOT GET TESTED
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

YOU GET SYMPTOMS
GET TESTED. While waiting on your test results, be sure to stay home and away from others.

STILL NO SYMPTOMS
Complete your 14-day quarantine starting from the day you were last exposed to COVID-19.

YOU GOT TESTED

YOU TESTED NEGATIVE
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

YOU TESTED POSITIVE
Isolate and stay home until 10 days have passed since you first got symptoms; 24 hours have passed since you had a fever (without medication); and your symptoms have improved.
NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

YOU DID NOT OR COULD NOT GET TESTED
Isolate and stay home until 10 days have passed since you first got symptoms; 24 hours have passed since you had a fever (without medication); and your symptoms have improved.
NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

After your quarantine or isolation is over, you can resume normal activities. But don't forget to wear a mask!

*People are contagious two days before they started having symptoms or at least 10 days after they started having symptoms. People who have no symptoms are considered contagious starting from the day before they got tested, through at least 10 days.

**Symptoms may include fever or chills, cough, shortness of breath or difficulty breathing, sore throat, headache, eye tired, and other symptoms.

***A false negative test result is when the test result is negative when you actually are infected with COVID-19. This may happen when you test too soon after your exposure, and there is not enough virus in your system to be detected. Avoid a potential false negative by waiting approximately 6-8 days from when you were first exposed before you get tested.

This document provides general information related to exposure to the COVID-19 virus. It is not medical advice and does not substitute for the advice of your physician or other health care professional. Consulting your personal physician is recommended when faced with health issues to obtain specific medical advice taking into consideration your medical condition.

a dozen reasons to choose *Catholic Schools*

A Message from the Health & Safety Committee:

Dear CKS Parents and Staff,

We would like to draw your attention to the letter from the diocese shared on 1/29/21 by Dr. Bosco. In the past several months, children with sick household contacts were able to attend school while the sick contact waited for COVID testing results. This is no longer the case. **Children with sick household contacts will not be allowed to be on campus until the sick member of the household has been evaluated and has received negative PCR test results.** With the advent of more infectious COVID strains circulating in our community, we must approach our safety procedures with renewed vigilance in order to keep our campus open to in-person learning. Please seek prompt PCR testing for yourselves and your family members when they exhibit sick symptoms, or if they have had a close contact. We ask you to complete the daily symptom screener each morning before you bring your children to school. Please revisit the importance of masking and hand washing with your children, and keep children at home at the first sign of illness.

Please contact Nurse Wrozek at the school, or your doctor, if you have any questions about symptoms, a potential exposure, or whether or not your child or family can safely be on campus.

Sincerely,
The CKS Health and Safety Committee

Dr. Michael Tolle
Dr. Anthony Aramoonie
Dr. Christina Bourland
Mrs. Rachal Nettune
Dr. Tia Tortoriello Raymond
Dr. Matthew Simon

CKS E-Learning Guidelines Updated

amazonsmile
You shop. Amazon gives.

When you make qualifying purchases, Amazon will donate .5% to CKS. We encourage you, and ALL your family members, to go to smile.amazon.com and sign up!

On your computer, click the Menu in the upper left corner. Scroll to "Your AmazonSmile" and click.

From your Amazon App, find Settings in the Main Menu, then click on "Amazon Smile", and turn ON.

CHRIST THE KING CATHOLIC SCHOOL

UPDATES FROM THE PASSIVE FUND RAISING COMMITTEE

1. The **Tom Thumb Good Neighbor Program** remains the same. Please complete the attached form for yourself and your loved ones. Drop off at Tom Thumb.
2. Amazon now allows you to "turn ON" **Amazon Smile** on your phone app! Go to the Main Menu > Settings > Amazon Smile > Turn ON. We are confident this amount can skyrocket with full participation from our CKS community. Your AmazonSmile settings must be renewed yearly.
3. We are no longer collecting **Boxtops for Education**. The program has become quite cumbersome for nominal returns. If you disagree and would like to volunteer to champion Boxtops, please contact us.

Tom Thumb

By joining the Tom Thumb Neighborhood Program, you will be earning cash for CKS everytime you shop. Link your Reward Card to CKS and CKS automatically earns 1% on qualifying purchases. Use CKS charity # 684 when filing out the form.

The Catholic school community, therefore, is an irreplaceable source of service, not only to the pupils and its other members, but also to society. Today especially one sees a world which clamors for solidarity and yet experiences the rise of new forms of individualism. Society can take note from the Catholic school that it is possible to create true communities out of a common effort for the common good.
