CKS will be providing this summer's required reading novel and summer

Class of 2020.... We are so proud of you!

Dear CKS Families,

Your prayers and patience are greatly appreciated as we all navigate this unprecedented time.

We believe in a proactive approach to planning and preparation. So, while we know that the situation we are in is fluid, we will be able to adapt to what is to come. As a diocesan school, a great deal will be determined by the CSO, but as the physical, intellectual, and spiritual well-being of our students and families is always at the forefront of our minds we are continuing discourse on protocols, policies, procedures, and possible scenarios with both national and local leaders. We are considering multiple scenarios, including, but not limited to; the school year opens on schedule with updated procedures, the school year opens with a new hybrid schedule (various potential models), the school

skills review workbook. They will be provided during the week of the school materials pick up, May 26-29.
