End of Year School Materials Pick Up

CKS will be having a contact free pick up on the dates indicated below. Parents should plan to follow Colgate carpool procedures in order to pick up the materials at Franny's Garden. Parents should remain in their vehicles, and items will be placed in either the trunk or backseat. Families with multiple children should plan to come to campus during the time allotted for your **oldest** student's grade level. Items from students' lockers in the Community Center will be grouped with your families' things. The summer's required reading novel and summer skills review workbook will also be included with your items.

All CKS faculty/staff will wear masks and gloves during this process.
