Subject: CKS 8th Grade Yearbook Video

Good Evening CKS Parents,

During COVID-19 our 8th graders have missed a few of Christ the King's fondest traditions. Today would have been their yearbook signing party. So in keeping with this tradition, I have created a video of the yearbook baby pages. I love seeing the 8th graders opening the yearbook for the first time and going straight to the baby pages. I hope this substitute will help fill the gap until we can deliver a copy of the yearbook to each 8th grader. Please click on the link below and enjoy.
