THANK YOU FOR MAKING THE REOPENING
OF CKS SUCH A SUCCESS!

GOD,
FAMILY,
CHRIST THE KING

ALL SAINTS' DAY 2014

As we approach All Souls Day, please send any names that you would like to be remembered in prayer by clicking the link below.

All Souls Remembrance

Prayer for All Souls

God of everlasting life,
In your abundant love, you give us the gift of life.
Strengthen our faith in the resurrection of your Son,
and our hope of rising to new life in him.
To us who are living, grant forgiveness;
to all who have died, your light and peace.
May our belief that Jesus rose from the dead console all who mourn,
trusting that we will live with him forever in joy.
Amen.

CELEBRATING THE KINGDOM OF
GOD AS FOLLOWERS OF JESUS
CHRIST

BEEN EXPOSED TO COVID-19?

Be Informed: Know Your Next Steps

Chart provided by the Texas Medical Association COVID-19 Task Force

If you have trouble breathing or other serious symptoms, consult your physician for specific medical advice. This chart is intended for the general public, not health care workers.

COVID-19
CORONAVIRUS DISEASE

YOU HAVE SYMPTOMS**

GET TESTED.
While waiting on your test results, be sure to stay home and away from others.

YOU DID NOT OR COULD NOT GET TESTED

ISOLATE and stay home until 10 days have passed since you first got symptoms, 24 hours have passed since you had a fever (without medication), and your symptoms have improved.
NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

YOU'VE BEEN EXPOSED TO COVID-19

This means you were **within 6 feet** of someone who tested positive (and was contagious*) for **more than 15 minutes** with or without wearing a mask.

YOU GOT TESTED

YOU TESTED POSITIVE

YOU TESTED NEGATIVE

QUARANTINE and stay home for 14 days since you were exposed to COVID-19. If you **MUST** go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

YOU HAVE NO SYMPTOMS

CONSIDER GETTING TESTED.

QUARANTINE and wait at least 6 to 8 days before you test in order to avoid a possible "false negative***" result. Keep in mind that when testing is in high demand, your results may be delayed by several days.

YOU DID NOT OR COULD NOT GET TESTED

QUARANTINE and stay home for 14 days since you were exposed to COVID-19. If you **MUST** go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

YOU GET SYMPTOMS

GET TESTED.

While waiting on your test results, be sure to stay home and away from others.

YOU GOT TESTED

YOU TESTED NEGATIVE

YOU TESTED POSITIVE

YOU DID NOT OR COULD NOT GET TESTED

QUARANTINE and stay home for 14 days since you were exposed to COVID-19. If you **MUST** go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

ISOLATE and stay home until 10 days have passed since you first got symptoms, 24 hours have passed since you had a fever (without medication), and your symptoms have improved.
NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

COMPLETE your 14-day quarantine starting from the day you were last exposed to COVID-19.

After your quarantine or isolation is over, you can resume normal activities. *But don't forget to wear a mask!*

*People are contagious two days before they start having symptoms and at least 10 days after they started having symptoms. People who have no symptoms are considered contagious starting from the day before they got tested, through at least 10 days.

**Symptoms may include fever or chills, cough, shortness of breath or difficulty breathing, body aches, headache, sore throat, and other symptoms.

***A false negative test result is when the test result is negative when you actually are infected with COVID-19. This may happen when you test too soon after your exposure and there is not enough virus in your system to be detected. Avoid a potential false negative by waiting approximately 6-8 days from when you were first exposed before you get tested.

This document provides general information related to exposure to the COVID-19 virus. It is not medical advice and does not substitute for the advice of your physician or other health care professional. Consulting your general physician is recommended when faced with health issues to obtain specific medical advice taking into consideration your medical condition. Revised July 23, 2020

Future Session Topics:

- The Pathway to Sainthood: Three Stages of Spiritual Growth
- The Elusive Jesus: How Make a Deeper Acquaintance
- The Content of the Faith: Essentials Ever New
- The Importance of Family in a Child's Faith Formation
- How to Pray: Some Advice from the Doctors of the Church
- Answering the Call to Serve: Lessons from CST

CHRIST THE KING CATHOLIC SCHOOL

UPDATES FROM THE PASSIVE FUND RAISING COMMITTEE

1. The **Tom Thumb Good Neighbor Program** remains the same. Please complete the attached form for yourself and your loved ones. Drop off at Tom Thu
2. Amazon now allows you to "Turn ON" **Amazon Smile** on your phone app! Go to the Main Menu > Settings > Amazon Smile > Turn ON. We are confident this amount can skyrocket with full participation from our CKS community! Your AmazonSmile settings must be activated yearly.
3. We are no longer collecting **Boxtops for Education**. The program has become quite cumbersome for nominal returns. If you disagree and would like to volunteer to champion Bboxtops, please contact us.

By joining the Tom Thumb Neighborhood Program, you will be earning cash for CKS everytime you shop. Link your Reward Card to CKS and CKS automatically earns 1% on qualifying purchases. Use CKS charity # 684 when filling out the form.
