

## **Christ the King Catholic School News & Updates**

*Educating Hearts, Minds, and Spirits to Become Future Servant Leaders*

[Visit our Website](#)

---

Dear Crusader Families,

We hope that everyone had a wonderful Father's Day. We continue to pray for St. Joseph's intercession to protect us and our loved ones in this time of need.

Thank you for taking the time to provide feedback on our e-Learning and return to school survey. Please click on the News link to view the summary. Thank you to our Task Force Committees for their dedication to our mission and for giving of their time and talent.

Please know that we continue preparing and planning for a return to campus as soon as it is safe and healthy to do so with the CDC, TEA, CSO, TCCB ED, DCHHS, and government guidelines.

Again, the three possible scenarios, or some periods of each, include:

- |               |   |
|---------------|---|
| On Campus:    | in person with protocols and guidelines   |
| Hybrid Model: | cohort model with student instruction rotating between time at school and e-Learning at home. |
| e-Learning:   | all online when necessary   |

As previously communicated, there will be new procedures and protocols in place to protect our students, faculty, and families. We will share more concrete details of what the start of school will look like in the CKS Reopening Plan (subject to change), which will be sent to families on July 20.

We are blessed to have faculty that are able to adapt to e-Learning and continue to learn strategies for delivering quality, effective instruction through an increase in synchronous (live) sessions along with a combination of asynchronous (self-paced) sessions to support the diverse needs of our families.

We ask for your prayers and grace as together we continue to live our mission to educate the hearts, minds, and spirits of our servant leaders.

Yours in Christ,

Dr. O'Sullivan and Dr. Bosco
