**BEEN EXPOSED TO COVID-19?**  
Be Informed: Know Your Next Steps

Chart provided by the Texas Medical Association COVID-19 Task Force  
If you have public meetings or other services, consult your physician for specific medical advice. This chart is intended for the general public, not health care workers.

**COVID-19**  
CORONAVIRUS DISEASE

**YOU'VE BEEN EXPOSED TO COVID-19**  
This means you were within 6 feet of someone who tested positive (and was contagious\*) for more than 15 minutes with or without wearing a mask.

**YOU HAVE NO SYMPTOMS**  
CONSIDER GETTING TESTED. Quarantine and wait at least 6 to 8 days before you test in order to avoid a possible false negative\*\*\* result. Keep in mind that when testing is in high demand, your results may be delayed by several days.

**YOU HAVE SYMPTOMS\*\***  
GET TESTED. While waiting on your test results, be sure to stay home and away from others.

**YOU DID NOT OR COULD NOT GET TESTED**  
Isolate and stay home until 10 days have passed since you first got symptoms, 24 hours have passed since you had a fever (without medication), and your symptoms have improved. NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

**YOU GOT TESTED**

**YOU TESTED POSITIVE**  
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

**YOU TESTED NEGATIVE**  
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

**YOU DID NOT OR COULD NOT GET TESTED**  
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

**YOU GET SYMPTOMS**  
GET TESTED. While waiting on your test results, be sure to stay home and away from others.

**STILL NO SYMPTOMS**  
Complete your 14-day quarantine starting from the day you were last exposed to COVID-19.

**YOU GOT TESTED**

**YOU TESTED NEGATIVE**  
Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

**YOU TESTED POSITIVE**  
Isolate and stay home until 10 days have passed since you first got symptoms, 24 hours have passed since you had a fever (without medication), and your symptoms have improved. NOTE: Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

**After your quarantine or isolation is over, you can resume normal activities. But don't forget to wear a mask!**

\*People are contagious two days before they started having symptoms and at least 10 days after they started having symptoms. People who have no symptoms are considered contagious starting from two days before they got tested, through at least 10 days.

\*\*Symptoms may include fever or chills, cough, shortness of breath or difficulty breathing, loss of voice, headache, sore throat, and other symptoms.

\*\*\*A false negative test result is when the test result is negative when you actually are infected with COVID-19. This may happen when you test too soon after your exposure, and there is not enough virus in your system to detect. Avoid a potential false negative by waiting approximately 6-8 days from when you were first exposed before you get tested.

This document provides general information related to exposure to the COVID-19 virus. It is not medical advice and does not substitute for the advice of your physician or other health care professional. Consulting your personal physician is recommended when faced with health issues to obtain specific medical advice taking into consideration your medical condition.

**amazon smile**  
You shop. Amazon gives.

When you make qualifying purchases, Amazon will donate .5% to CKS. We encourage you, and ALL your family members, to go to [smile.amazon.com](https://smile.amazon.com) and sign up!

On your computer, click the Menu in the upper left corner. Scroll to "Your AmazonSmile" and click.

From your Amazon App, find Settings in the Main Menu, then click on "Amazon Smile", and turn ON.

UPDATES FROM THE PASSIVE FUND RAISING COMMITTEE

- 1. The **Tom Thumb Good Neighbor Program** remains the same. Please complete the attached form for yourself and your loved ones. Drop off at Tom Thu
- 2. Amazon now allows you to "turn ON" **Amazon Smile** on your phone app! Go to the Main Menu > Settings > Amazon Smile > Turn ON. We are confident this amount can skyrocket with full participation from our CKS community. Your AmazonSmile settings **must be renewed yearly**.
- 3. We are no longer collecting **Boxtops for Education**. The program has become quite cumbersome for normal returns. If you disagree and would like to volunteer to champion Boxtops, please contact us.

By joining the Tom Thumb Neighborhood Program, you will be earning cash for CKS everytime you shop. Link your Reward Card to CKS and CKS automatically earns 1% on qualifying purchases. Use CKS charity # 684 when filing out the form.

When you make qualifying purchases, Amazon will donate 5% to CKS. We encourage you, and ALL your family members, to go to **smile.amazon.com** and sign up! It's so easy.

- On your computer, click the menu in the upper left corner. Scroll to "Your Amazon Smile" and click.
- From your Amazon App, find settings in the main menu, then click on "Amazon Smile", and turn ON.
