

Dear All,

I hope this e-mail finds you all safe and doing well.

May is typically the time of year that we start thinking about organizing our CKS fall sports teams. They include football, volleyball and cross country. It is very evident that this is not a typical year. That being said, although at this time we are uncertain of the DPL fall sports season, we must still prepare for it. It is a very fluid situation that continues to change week by week. At this time, Christ the King School and the Dallas Parochial League will prepare as if the DPL will be having a normal fall sports schedule and make adjustments as they arise. I have attached to this e-mail, sign up forms for football and volleyball. If your son or daughter is interested in participating on a CKS fall sports team football or volleyball, please e-mail me back the attached registration form as soon as possible at [mhiggs@cks.org](mailto:mhiggs@cks.org). It is especially important this year to prepare in advance prior to start of the school year. If you are thinking about coaching a CKS fall sport as a head coach or an assistant coach, please send me an e-mail indicating the sport, grade level and position (head or assistant). It is also a great time for all CKS coaches fall, winter and spring sports to update their Safe Environment status for the new school year. Everyone wishing to volunteer at Christ the King School must be cleared through the Diocese of Dallas Safe Environment Program. All volunteers must renew training annually. Please contact Laura Lynch (Safety Director) at 214-365-1208 or email her at [llynch@ctkdallas.org](mailto:llynch@ctkdallas.org) to check on your status. We are all looking forward to a great fall sports season at Christ the King Catholic School. Cross Country sign ups will take place in August.

Please stay safe.

Coach Higgs
