- E-Learning Webpage
- COVID-19 Webpage

# Seesaw

Seesaw will be one of the main channels by which you will receive classwork and turn in completed work.

Mrs. Ray will walk us through a brief tutorial

2020-2021 CKS Year
4K-1st grade
Mrs. Ray
** slides have been taken and adapted from the Seesaw webpage

# Why I like using seesaw…

◦ User friendly

◦ Promotes independent thinking and problem solving

◦ Allows students to explain their thinking in a safe environment

◦ Builds strong communication between school and home

◦ Easily adapted from in person learning to at home learning

◦ Secure platform that allows you to see what you child is doing at school which helps facilitate conversations at home

◦ Creates a year long portfolio which allows you to see your child's groth

# What is Seesaw?

- **Students** add posts to their journals in the classroom and/ or at home. Student posts showcase the creative projects they've been working on in the classroom. This could include photos, artwork, videos, activities, notes, projects they've created in other apps, and more. (Portfolio)

- **Families** get notified when there are new posts in their student's journal. They can view posts and add likes and comments.

- Seesaw requires an invite from your child's teacher in order to sign up. If you do not have an invite QR code or link, contact your child's teacher. Up to 10 family members can connect to one child's journal.

- YouTube video link

# Here's how Seesaw works!

**Let's Begin**

Students create posts using Seesaw's tools

**Approve?**

Teachers approve new posts

Posts are organized

Families see their

Conversations and connections grow

*Seesaw*

ClassLink    Help    •    Browser Check    •    Privacy

# Classlink – App Page

- My Apps page
- Students app page may contain different apps by grade level
- Students can customize their app page by right clicking on the page and the clicking on change background.
- Click on the My Files tab at the bottom of the page to access shared files.

# Classlink – My Files

- My Files has four components
  - **My Documents** - private files
  - **Shared** – Grade level folders for student work
  - **School Network Drives -** Legacy student drive
  - **Cloud storage** - other sites

# Office 365 Accounts

- Each student has an Office 365 account to access Microsoft Teams and Microsoft Stream apps.
- 4K-1st grade students will not use the Outlook email app.
- Microsoft Teams will be set up by homeroom and the homeroom teacher will email parents and students account with a link to join sessions.
- E-Learning students will follow their school schedule to view live sessions.  Recordings to daily sessions will be posted on a homeroom Padlet for asynchronous viewing.
- Students can ask questions using the chat feature in Teams.
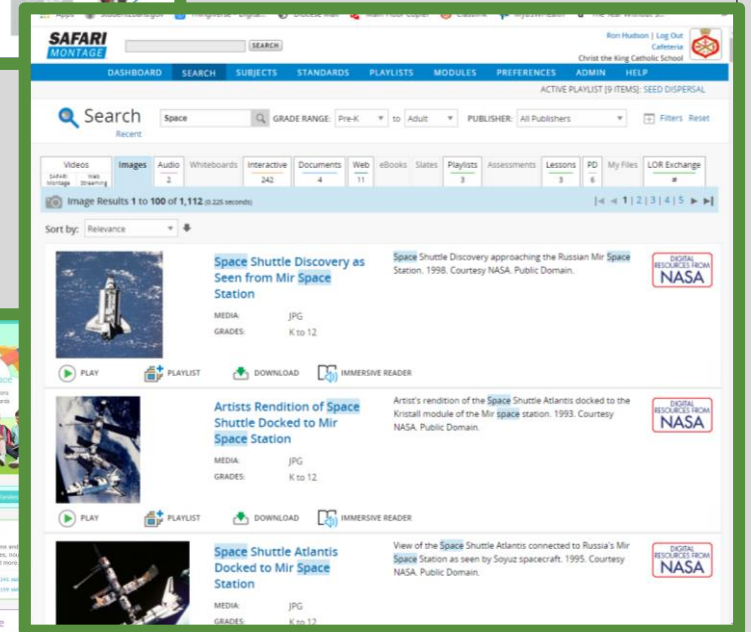

# Padlet

- Padlet is an online app allowing users to post an array of content on a single page for easy access.
- Teachers will have several Padlets for students.

# Other Classroom Apps

- **IXL Math** – Math assignments
- **Safari Montage** – Educational video on demand system (hosted on campus)
- **Raz Kids** – by Learning A-Z delivers interactive computer-base and mobile books and quizzes at 29 reading levels
- **Science A-Z** – by Learning A-Z blends science and reading with a wealth of multilevel readers and engaging activities.
- **Writing A-Z** – by Learning A-Z delivers the leveled resources and tools necessary to improve students' writing skills.
- **Tumble Books** – Picture e-books (read out loud feature)

# Destiny Discover – (CKS Library Catalog)

- Students can go online and request books from the CKS Library
  - Mrs. Garnett is in the process of finalizing the procedure for weekly library book pick-up for students home bound students.
- Students may access our e-books from this portal

# AR – Home Access

- We have turned on home access feature so students can take AR tests off campus.
- AR store for the fall has been cancelled.
- Students will be able to take AR test during their scheduled Library times.

# FACTS SIS – Parents Web

- Parents Web allows parents to access the following; (http://www.renweb.com )
  - Grades
  - Student Schedule
  - Attendance
  - School Parent Directory
  - Assigned Homework
  - School Calendar is on our website http://www.cks.org

# COVID-19 Daily Reporting

- The screening form will be completed electronically.  Instructions will be sent to families before the start of school.
- FACTS SIS Forms

# E-Learning Guidelines

- E-Learning guidelines can be viewed by going to our website. http://www.cks.org/about-us/elearning.cfm
