Hello Crusader Families,

The **CKS Passive Fundraising committee** has a few important updates for you.

1. The Tom Thumb card Good Neighbor Program remains the same. Please print and complete the linked form for yourself and your loved ones to utilize.
2. Amazon now allows you to "turn ON" Amazon Smile on your existing app!
 - i. Main Menu > Settings > Amazon Smile > Turn ON.
 - ii. CKS has received **\$2,959.48** as of May 2020. We are confident this amount can skyrocket with full participation from our CKS community.
3. We are no longer collecting Boxtops for Education. The program has become quite cumbersome for nominal returns. If you disagree and would like to volunteer to champion Boxtops please contact us.

Thank you for taking the time to enroll in each of these programs and support **Christ the King Catholic School** through partnership with these supportive businesses.

In savings, Catherine Nettune & Rachal Nettune

10 Things You Can Do to Prepare for Returning Back to School

- 1 Practice Hand Hygiene** often throughout the day. Teach them to sing their ABCs or count for at least 20 seconds, ensuring they wash the front, back, & in-between their fingers. 
- 2 Practice Putting Mask On/Off.** Your child will be required to wear a mask upon entering school & at all times. Teach them to not touch the outside/inside of their mask when taking it off/putting it on. 
- 3 Make/Purchase Extra Masks.** Masks should only be used one time. Consider making or buying multiple masks to give you the proper time to wash them between uses. 
- 4 Purchase a Thermometer.** Check your child's temperature every morning. If 100.0°F or higher, they must stay home and contact the CKS clinic for further instructions before returning to school. If they develop a fever at school, the parent will be notified and required to pick up the student. 
- 5 Practice 6ft of Distance.** Measure the distance on the floor. Consider temporarily placing visual markers indicating 6' in your home. 
- 6 Update Immunizations & Physical.** Each is required to enroll for the school year. Contact your child's pediatrician for an appointment. Immunizations can also be obtained at the Health Dept. 
- 7 Change Aerosolized Medication.** Nebulizers & inhalers without a chamber cannot be administered in school. Speak with your child's pediatrician to obtain the proper equipment & to update the Asthma Action Plan. 
- 8 Purchase Reusable Water Bottle** to be brought to school. Water fountains will not be in service. 
- 9 Verify/Update Emergency Contacts.** If your child presents COVID-like symptoms, they will be placed in an isolation room and will need to be picked up immediately. Please ensure contact(s) can be reached at any time. 
- 10 Stay Informed.** Educate yourself from reliable sources such as the CDC (www.cdc.gov) and The Dallas County Department of Health (www.dallascounty.org) websites.
