

CKS Summer Math 2019

Grades: K-7 Only

Students entering grades **Kindergarten through 7th grades** will complete their summer math practice through Math IXL.

- Students should login to their Math IXL account through the following link:

<https://www.ixl.com/signin/rcdd>

- Click on the tab for the grade level the student just completed.
- Work on the objectives indicated with a golden star and highlighted.
- Students should work within each objective indicated to achieve a minimum SmartScore of 80. (Achieving a SmartScore of 80 will be equivalent to completing 100% of the objective.)
- Teachers will run an analytics report on each student's progress on August 13, 2019.
- Each student's grade will be determined by the percentage of work completed. Students should work within each objective indicated to a SmartScore of 80.

* An alternate Summer Math Assignment: Complete the entire Summer Math Skills Sharpener, which can be purchased here: <http://www.summerskills.com/books/summer-math-skills-sharpener-1>
(There is no substitute for this workbook – it must be the Summer Math Skills Sharpener, Tri-C Publications, Inc.)
