Dear Christ the King Catholic School Parents,

Our mission calls us to educate the hearts, minds, and spirits of future servant leaders. Through the Annual Fund we are able to provide improvements needed for academic excellence and spiritual growth in a safe environment so that all students may have the skills necessary to follow their dreams.

The Annual Fund helps to bridge “the Gap” between this year’s tuition and the true cost to educate our students. Your gift to the Annual Fund is an investment in our students, faculty, and staff which helps to cover the current year’s costs of providing an excellent Catholic education - educational resources, employee health insurance, maintenance, utilities, and other costs – as well as, to forego charging additional fees for expenses such as field trips, extra-curricular activities, and DPL athletics.

In the Church document *To Teach as Jesus Did*, we are reminded that community is at the heart of Catholic education, not just as a concept to be taught, but as a reality to be lived. We continue to be grateful for your grace and fortitude as we partner for our Crusaders’ spiritual, academic, physical, and emotional growth. The Annual Fund is an invitation for you to be a part of our community’s mission so that together we may experience growth, hope, and joy.

We greatly appreciate our Annual Fund leaders, Chairs Philip and Kellee Kelton, and our grade level captains for serving CKS to help provide the best for our students.

“Needless to say the past two years have been unpredictable and stressful for all. Throughout the ongoing challenge of the pandemic, we have been humbled and amazed by the staff and teachers who have prioritized the students' needs over their own. The Christ the King team has worked tirelessly to leave no student behind to keep the school's goal of developing the hearts, minds and souls of our children. The objectives of the CKS Annual Fund are to bridge the tuition gap, fund extracurriculars and equip our exceptional teachers with cutting edge tools for educational excellence. It's our honor to lead this year's fundraising effort and hope that each and every CKS family will participate to fuel the development of all the bright, young minds and souls that fill the school's classrooms.”

Philip and Kellee Kelton

With your support, we will continue to provide quality instructional resources, technology resources, student services, facility improvements, maintenance, sports, extra-curricular activities, and competitive teacher compensation for their outstanding call to serve.

Thank you for making Christ the King Catholic School a nationally recognized school of excellence, as together we continue to build on the strong tradition of Catholic identity and academic excellence that brings the mission of Christ the King Catholic School to life.

Thank you for considering a gift benefiting our Crusaders.
