Dear Christ the King Catholic School Parents,

Our mission calls us to educate the hearts, minds, and spirits of future servant leaders. Through the Annual Fund we are able to provide improvements needed for academic excellence and spiritual growth in a safe environment so that all students may have the support necessary to walk with Christ and fulfill their calling.

The Annual Fund helps to bridge “the gap” between this year’s tuition and the true cost to educate our students. Your gift to the Annual Fund is an investment in our students, faculty, and staff which helps to cover the current year’s costs of providing an excellent Catholic education - educational resources, employee health insurance, maintenance, utilities, and other costs – as well as, to forego charging additional fees for expenses such as field trips, extra-curricular activities, and DPL athletics.

We continue to be grateful for your grace and fortitude as we partner for our Crusaders’ spiritual, academic, physical, and emotional growth. The Annual Fund is an invitation for you to be a part of our community’s mission so that together we may, as our CKSPA inspires us, *celebrate, elevate, and unite.*

We greatly appreciate our Annual Fund leaders, Chairs Joseph and Heather Rodriguez, and our grade level captains for serving CKS to help provide the best for our students.

“2021-2022 was an incredible year to be a Crusader. Christ the King was named 1 of the nation’s 325 National Blue Ribbon schools. This created positive energy you could feel within the school from our deserving teachers, leadership, and most importantly our children. This year CKS celebrates 75 years of educating our children’s hearts and minds and developing their spiritual growth. In order to continue this growth and provide a space where academics, leadership and servant focused teachings are fostered, we hope that each CKS family will participate in the annual fund. Gifts will help fill the tuition gap and provide unrestricted monies to be directed where they are needed most, making an immediate impact on our students, faculty, and school. Every gift, regardless of size, is a blessing and makes a tremendous difference.”

With your support, together we continue to build on our 75-year tradition of Catholic identity and academic excellence that brings the mission of Christ the King Catholic School to life so that we may equip our young men and women of faith with the resources to make a positive difference in the world. Your gifts will support retreats, experiential learning, quality instructional resources, technology resources, student services, facility improvements, maintenance, sports, extra-curricular activities, and competitive teacher compensation for their outstanding call to serve.

Thank you for making Christ the King Catholic School the only three time Nationally Recognized Blue Ribbon School of Excellence in Dallas!

With Gratitude,

Dr. Patrick O'Sullivan
