Dear Christ the King Catholic School Community,

Our mission calls us to educate the hearts, minds, and spirits of our future servant leaders. Your support places CKS in the best position to fulfill our mission and ensure the vibrancy, advancement, and vitality of our CKS community.

The Annual Drive is an invitation to support Christ the King Catholic School through your normal giving, with the goals of providing a safe campus for our students to focus on their spiritual and academic growth, retaining and recruiting quality faculty, and supporting our critical school improvements aligned with our upcoming Capital Campaign. The Capital Campaign will be an invitation to prayerfully consider a transformational gift that can be spread over five years for the school/parish improvements.

Your gift to the Annual Drive is an investment in our students, faculty, and staff. We are grateful for your partnership in providing for our Crusaders.

We greatly appreciate our Annual Drive leaders, Chairs Stewart and Annie McLeod, and our grade level captains for serving CKS to help provide the best for our students.

“As our family embarks on our final year at Christ the King, the opportunity to Chair the Annual Drive gave us time to reflect. So many accolades can be used to describe our experience at CKS with “community” being at the top of the list. The families and faculty make this such a special place for our children. Countless, enriching experiences and memories have filled our lives for 10+ years and we are forever grateful. To that point, we are honored to Chair the Annual Drive because it aligns so well with our community attributes. Please join us in further advancing this wonderful community for years to come.”

- Stewart and Annie McLeod
