Dear Parents,

We write once again in gratitude for your grace as we plan for our return to learning. We are aware of AG Paxton's ruling that came after our letter regarding the Dallas County order and have submitted our Reopening Plan to the Diocese and County.

In light of the latest guidance, the Catholic Schools Office is determining reopening protocols, which we will share when available. In the meantime, you can find updates on the CKS COVID-19 response website.

Once dates are finalized, we will hold grade level meetings. Afterwards, you will be asked to commit to in-person or online learning for each student for the first quarter.

Hopefully, you have had the opportunity to read our CKS Reopening Plan, which can be accessed on the CKS COVID-19 response website. Below are a few points mandated per Diocesan policy:

- All faculty, staff, and students will wear masks.
- All faculty, staff, and students will be screened for symptoms daily.
- There will be no DPL or extra-curricular activities in the Fall.
- Families will commit to in person or online learning for the entire first quarter.
- Parents who choose in person for their student will be required to sign a waiver.
- The Diocese is still finalizing policies for closures and who else stays home regarding a positive test.
- Any e-Learning ahead of the physical reopening date is being evaluated.

Our hope is to be with you as soon as we can safely do so.

Keeping you all in our prayers,

Dr. O'Sullivan and Dr. Bosco
