Instructions for online training and retraining

All training and retraining will be online this year using a new video from the Diocese of Dallas. Hopefully, the following instructions will make this a smooth process.

Use this

link: <https://dallas.setanet.org/obligations.php>. You will need to sign in with your

WELCOME BACK TO SCHOOL!

Please review the calendar below for specifics on our reopening dates:

legal name (the one you used when you submitted your Screening Form) and the address that you submitted on that form, unless you have made updates to your personal information.

Once you have successfully logged in, you will be asked to update your information (if needed) and the system will direct you from there.

These online courses must be watched in one sitting and the self-assessment taken immediately after viewing the video (it may take 60 seconds or more to load), so make sure to leave yourself enough time for both. DO NOT exit the program until you have received notice that you passed the self-assessment, as you cannot go back in. Once you receive verification of completion/credit, print off the verification certificate. You may scan it to me if you wish, but this is not necessary as the system should update your file automatically. However, please file that verification away in case the system somehow fails (it does happen occasionally.)

If you have problems logging in, or any other questions, please email me at llynch@ctkdallas.org or call me at 214-365-1208.

Additionally, since distance learning will be such an important part of education as we begin the new school year and most communication will be from a distance, our use of computers, internet, and even Social Media figure more prominently in our educational lives than ever before. In light of this, it is especially important to assure a clear understanding of all Diocese of Dallas policies relating to the use of these tools. I am asking that all volunteers revisit the Diocese of Dallas [Computer/Internet Policy \(click here\)](#) and the [Diocese of Dallas Social Media Policy \(click here.\)](#) Both policies are linked here and may be e-signed and returned to me via my llynch@cks.org email. If there are any questions regarding the contents of these policies, please do not hesitate to ask. If you were asked during your retraining to e-sign any Policy Acknowledgement forms, please do so.

Again, thank you for your time and for all that you do to keep our children, youth, and vulnerable adults safe.

10 Things You Can Do to Prepare for Returning Back to School

1 Practice Hand Hygiene often throughout the day. Teach them to sing their ABCs or count for at least 20 seconds, ensuring they wash the front, back, & in-between their fingers.

6 Update Immunizations & Physical. Each is required to enroll for the school year. Contact your child's pediatrician for an appointment. Immunizations can also be obtained at the Health Dept.

2 Practice Putting Mask On/Off. Your child will be required to wear a mask upon entering school & at all times. Teach them to not touch the outside/inside of their mask when taking it off/putting it on.

7 Change Aerosolized Medication, Nebulizers & Inhalers without a chamber cannot be administered in school. Speak with your child's pediatrician to obtain the proper equipment & to update the Asthma Action Plan.

3 Make/Purchase Extra Masks. Masks should only be used one time. Consider making or buying multiple masks to give you the proper time to wash them between uses.

8 Purchase Reusable Water Bottle to be brought to school. Water fountains will not be in service.

4 Purchase a Thermometer. Check your child's temperature every morning. If 100.0°F or higher, they must stay home and contact the CKS clinic for further instructions before returning to school. If they develop a fever at school, the parent will be notified and required to pick up the student.

9 Verify/Update Emergency Contacts. If your child presents COVID-like symptoms, they will be placed in an isolation room and will need to be picked up immediately. Please ensure contact(s) can be reached at any time.

5 Practice 6ft of Distance. Measure the distance on the floor. Consider temporarily placing visual markers indicating 6' in your home.

10 Stay Informed. Educate yourself from reliable sources such as the CDC (www.cdc.gov) and The Dallas County Department of Health (www.dallascounty.org) websites.

Hello Crusader Families,

The **CKS Passive Fundraising** committee has a few important updates for you.

1. The Tom Thumb card Good Neighbor Program remains the same. Please print and complete the linked form for yourself and your loved ones to utilize.
2. Amazon now allows you to "turn ON" Amazon Smile on your existing app!
 - i. Main Menu > Settings > Amazon Smile > Turn ON.
 - ii. CKS has received **\$2,959.48** as of May 2020. We are confident this amount can skyrocket with full participation from our CKS community.
3. We are no longer collecting Boxtops for Education. The program has become quite cumbersome for nominal returns. If you disagree and would like to volunteer to champion Boxtops please contact us.

Thank you for taking the time to enroll in each of these programs and support **Christ the King Catholic School** through partnership with these supportive businesses.
