### **4th Annual Serviam Days at CKS December 9-11, 2020**

**What:** As *Crusaders Who Care*, our Serviam Night will adapt to Serviam Days for this year.

**Why:** While we will not be able to meet as a CKS family, we still would like to provide our students an opportunity to serve together answering the call to fulfill the corporal and spiritual works of mercy.

**When:** Wednesday, Thursday, & Friday, December 9-11, 2020

**Where:** All activities will take place during the school day.

*Listed below are the service activities for each grade level.*

**4K, DK & K**—Cards for the *Military* and Coat Drive for students at *Our Lady of Perpetual Help*.

**1<sup>st</sup> & 2<sup>nd</sup>**—Christmas place mats, ornaments and cards for the elderly at *St. Joseph Residence*.

**3<sup>rd</sup>**—Blessing Bags and cards for our *Seminarians*.

**4<sup>th</sup>**—“Denim Days” and Birthday bags for homeless children at *Family Gateway*.

**5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, & 8<sup>th</sup>**—“*Helping Globally*” Christmas Bags for *Arise Africa*.

“Give your  to SERVE and your  to LOVE.”  
—St. Teresa of Calcutta

\*\*\* Detailed information will be coming from your child's homeroom teacher.

### **Prayer for Educators**

Christ our Teacher, You are the Way, the

Truth, and the Life. Watch over our teachers and staff so that they may make You ever present in their classroom, on the fields, and throughout the day. Guide them to encourage the virtues of faith, hope, and love in our sons and daughters. Inspire their planning, preparation, and teaching today and always. Open the hearts and minds of them and their students so that all may respond generously to your invitation to know, love, and serve You. For the teachers who have helped form me to who I am today, may they know that they made a positive difference in my life and remain in my prayers. For the teachers of my sons and daughters, may they know that they have my support and prayers as they educate hearts, minds, and spirits of Your servant leaders through answering the call to serve in Catholic education. In your name we pray, Amen.

The Giving Tree is a yearly tradition to show our appreciation to the wonderful teachers and staff at Christ the King School. Classes are discouraged from giving collective or individual gifts to teachers at Christmas. The best way to give is through the Giving Tree

- This is a voluntary program.
- All donations, any amount, are greatly appreciated.
- The proceeds are divided among teachers, aides and staff including the nurse, librarian, administrators and the maintenance crew.
- Information about your contribution will remain confidential; names and amounts will not be disclosed.
- Donations are tax deductible.

### **WAYS TO GIVE:**

**Online:** Go to [www.CKS.org](http://www.CKS.org) and click the Giving Tree graphic on the homepage.  
**Check:** Online donations are encouraged but if you'd prefer a check, make it out to CKS with "Giving Tree" in the notes line.

### **THANK YOU FOR YOUR GENEROSITY!**

## UPDATES FROM THE PASSIVE FUND RAISING COMMITTEE

1. The **Tom Thumb Good Neighbor Program** remains the same. Please complete the attached form for yourself and your loved ones. Drop off at Tom Thumb.
2. Amazon now allows you to "turn ON" **Amazon Smile** on your phone app! Go to the Main Menu > Settings > Amazon Smile > Turn ON. We are confident this amount can skyrocket with full participation from our CKS community. Your AmazonSmile settings must be renewed yearly.
3. We are no longer collecting **Boxtops for Education**. The program has become quite cumbersome for nominal returns. If you disagree and would like to volunteer to champion Bboxtops, please contact us.

By joining the Tom Thumb Neighborhood Program, you will be earning cash for CKS everytime you shop. Link your Reward Card to CKS and CKS automatically earns 1% on qualifying purchases. Use CKS charity # 684 when filing out the form.

## BEEN EXPOSED TO COVID-19?

Be Informed: Know Your Next Steps

Chart provided by the Texas Medical Association COVID-19 Task Force

If you have trouble breathing or other serious symptoms, contact your physician for specific medical advice. This chart is intended for the general public, not health care workers.

**COVID-19**  
CORONAVIRUS DISEASE

**YOU'VE BEEN EXPOSED TO COVID-19**

This means you were within 6 feet of someone who tested positive (and was contagious\*) for more than 15 minutes with or without wearing a mask.

**YOU HAVE SYMPTOMS\*\***

**GET TESTED.**

While waiting on your test results, be sure to stay home and away from others.

**YOU DID NOT OR COULD NOT GET TESTED**

Isolate and stay home until 10 days have passed since you first got symptoms; 24 hours have passed since you had a fever (without medication); and your symptoms have improved.

**NOTE:** Anyone who lives with you needs to quarantine for 14 days since their last contact with you.

**YOU GOT TESTED**

**YOU TESTED POSITIVE**

**YOU TESTED NEGATIVE**

Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

**YOU HAVE NO SYMPTOMS**

**CONSIDER GETTING TESTED.**

Quarantine and wait at least 6 to 8 days before you test in order to avoid a possible false negative\*\*\* result. Keep in mind that when testing is in high demand, your results may be delayed by several days.

Quarantine and stay home for 14 days since you were exposed to COVID-19. If you MUST go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

After your quarantine or isolation is over, you can resume normal activities. But don't forget to wear a mask!

\*People are contagious two days before they started having symptoms and at least 10 days after they started having symptoms. People who have no symptoms are considered contagious starting from the day before they got tested, through at least 10 days.

\*\*Symptoms may include fever or chills, cough, shortness of breath or difficulty breathing, body aches, headache, sore throat, and other symptoms.

\*\*\*A false negative test result is when the test result is negative when you actually are infected with COVID-19. This may happen when you test too soon after your exposure, and there is not enough virus in your system to be detected. A false negative test requires re-testing approximately 6-8 days from when you were first exposed before you get tested.

This document provides general information related to exposure to the COVID-19 virus. It is not medical advice and does not substitute for the advice of your physician or other health care professional. Consulting your personal physician is recommended when faced with health issues to obtain specific medical advice taking into consideration your medical condition.
