YOU DID NOT OR COULD NOT GET TESTED

Quarantine and stay home for 14 days since you were exposed to COVID-19. If you **MUST** go out, wear a mask and stay 6 feet away from anyone who doesn't live with you.

After your quarantine or isolation is over, you can resume normal activities. But don't forget to wear a mask!

*Persons are contagious two days before they started having symptoms and at least 10 days after they started having symptoms. People who have no symptoms are considered contagious starting from the day before they got tested, through at least 10 days.

***A false negative test result is when the test result is negative when you actually are infected with COVID-19. The test again when you test soon after your exposure and being re-exposed once in your system to be detected. Avoid a potential false negative by waiting approximately 6-8 days from when you were first exposed before you get tested.

This document provides general information related to exposure to the COVID-19 virus. It is not medical advice and does not substitute for the advice of your physician or other health care professional. UPDATES FROM THE PASSIVE FUND RAISING COMMITTEE

1. The **Tom Thumb Good Neighbor Program** remains the same. Please complete the attached form for yourself and your loved ones. Drop off at Tom Thumb.
2. Amazon now allows you to "turn ON" **Amazon Smile** on your phone app! Go to the Main Menu > Settings > Amazon Smile > Turn ON. We are confident this amount can skyrocket with full participation from our CKS community. Your AmazonSmile settings must be renewed yearly.
3. We are no longer collecting **Boxtops for Education**. The program has become quite cumbersome for nominal returns. If you disagree and would like to volunteer to champion Boxtops, please contact us.

Tom Thumb

By joining the Tom Thumb Neighborhood Program, you will be earning cash for CKS everytime you shop. Link your Reward Card to CKS and CKS automatically earns 1% on qualifying purchases. Use CKS charity # 684 when filing out the form.
