### **ERB's Comprehensive Testing Program** **May 4th-6th - Grades 2-7**

Dear Parents,

Students in grades 2-7 will be taking ERB's Comprehensive Testing Program (CTP) this week. The CTP is an achievement assessment produced by ERB-a not-for-profit member organization that has provided student assessment services for over 90 years.

The CTP is a summative assessment of learning achievement. Its purpose is to identify the academic strengths and weaknesses of both individual students and groups of students. This enables CKS to make informed decisions about programs, curriculum, and resources to best meet students' needs.

The CTP is comprised of individual subtests to assess different subject areas. The subtests your student takes will vary depending on your student's current grade level. The questions on each CTP subtest are further classified into content strands or domains that identify the specific skill each question is designed to measure.

You will receive an Individual Subscore Report that will describe your student's CTP performance on different subtests and content strands. You will receive Scale Scores, Percentiles, and Stanines that display your student's relative performance on each subtest when compared to various norm groups. The Student Profile Analysis will display your student's content mastery scores on each subtest and content strand.

### Student Tips

- Get a good night's sleep each night. (There will not be any homework during testing.)
- Eat a balanced breakfast, and bring a snack and water to school each day.
- Be positive and confident. (These tests are not for a grade. They are used to support your learning.)

Please contact me with any questions. We are looking forward to a wonderful week!

Go Crusaders!

Dr. Bosco  
Principal

"My soul proclaims the  
greatness of the Lord;  
my spirit rejoices in  
God my Savior."  
Luke 1:46

The awareness of Mary in a Catholic school makes it a home. In May we take extra time to celebrate Mary, mother of God and mother of the Church, who inspires us each day with her trust, fortitude, compassion, grace, and faith in God. Her powerful intercession has been a constant theme in the lives of many great saints, as well as in our own lives. We ask Mary to watch over all of our CKS mothers, grandmothers, aunts, and special friends who have been mother figures in our lives.

CKS is excited to announce a partnership with  
[The Quispicanchi Project!](#)

“We are thrilled to have the opportunity to support the project’s mission in supporting and empowering families and organizations of indigenous and rural communities through the cultivation of culturally responsible sustainable solutions in the Quispicanchi Province of southern Peru.

100% of The Quispicanchi Project’s efforts benefit Catholic ministries and missions in the region directed by the Jesuits of Peru.

## BEEN EXPOSED TO COVID-19?

Be Informed: Know Your Next Steps

Chart provided by the Texas Medical Association COVID-19 Task Force

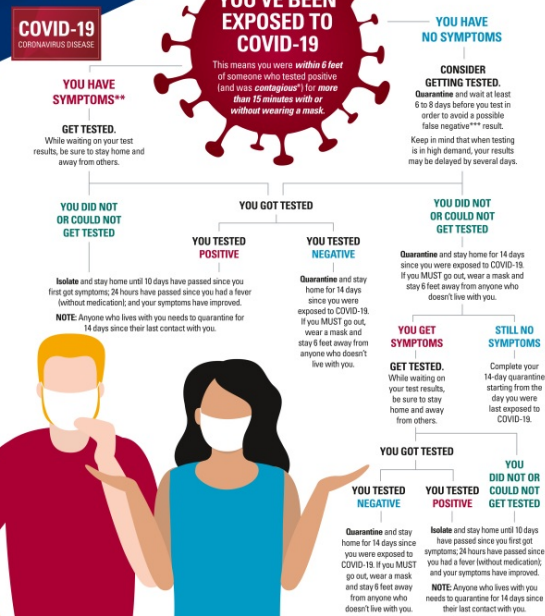

If you have trouble breathing or other serious symptoms, consult your physician for specific medical advice. This chart is intended for the general public, not health care workers.

After your quarantine or isolation is over, you can resume normal activities. But don't forget to wear a mask!

\*There are exceptions to this rule before they receive testing symptoms and at least 10 days after they started having symptoms. People who have no symptoms are considered contagious during their time due before they get tested, through at least 10 days.

\*\*Symptoms may include fever or chills, cough, shortness of breath or difficulty breathing, body aches, headache, sore throat, and loss of appetite.

\*\*\*A false negative test result is when the test result is negative when you actually are infected with COVID-19. This may happen when you test too soon after your exposure, and there is not enough virus in your system to be detected. Avoid a potential false negative by waiting approximately 6 days from when you were first exposed before you get tested.

This document provides general information related to exposure to the COVID-19 virus. It is not medical advice and does not substitute for the advice of your physician or other health care professional. Consulting your personal physician is recommended when faced with health issues to obtain specific medical advice taking into consideration your medical condition.

# VACATION BIBLE CAMP

- August 2-5, 9:30-  
Noon, Christ the King  
Community  
Center, Volunteers  
Needed

**IT'S ON! 4K/DK to rising 3rd graders won't want to miss this back-to-school community-building event.**

We are now accepting volunteers. This is a great way to get involved and meet other parents in our community. Whether you can volunteer one day or all four days, your help is very much appreciated. Make plans now to join the fun!

**Volunteers can Register Now.**

**NOTE: Space is limited.** This is the only way to guarantee a spot for your child. We will open registration to all Christ the King students and parishioners after our volunteer spots have been filled and their kids have been registered. There is a nursery for volunteers that need it.

Thanks,  
Jen Bryarly  
2021 VBS Director
