Subject: Summer Assignments & Step Up Day

Dear CKS Parents and Students,

Thank you for a successful transition to E-Learning and for a wonderful end to the 2020-2021 school year. We are absolutely thrilled with all that the students have accomplished over the past nine weeks. There have been great gains in community building, in academics, and in spirituality. Our community is stronger than ever, and we pray that your families enjoy a healthy and restful summer.

Next week will serve as academic mastery days and student materials will be ready for pick up. The pick up times have been sent to families and are attached to this message, as well. Please plan to attend the pick up time for your oldest student's grade level. These days are also an opportunity to check in with teachers if you have any questions on assignments and/or class content.

In addition to the student materials, teachers have included your required summer math skills review book and your required novel with your items. Details on summer assignments can be found on the CKS website: <http://www.cks.org/campus-life/summer-programs.cfm>. If you have any questions regarding the summer assignments, please let me know. These assignments have changed in order to provide opportunities for the students to disconnect, while continuing reinforcement and review of concepts taught over the past school year.

While we cannot be together on campus for this year's Step Up Day, a video will be sent to you on Tuesday, May 26th, outlining information for the excitement that you have to look forward to as you "Step Up" to the next grade level.

We are so very proud of the entire CKS community. Our faculty, staff, students, and parents have all shown dedication, courage, strength, and support as we navigated this unprecedented time. You will be receiving updates throughout the summer, and we will continue to keep your families in our prayers. Please do not hesitate to reach out if you have any questions, or if you need any assistance with the summer assignment expectations.

Enjoy a safe and healthy summer. We look forward to seeing you soon!

Sincerely,

Dr. Bosco

Principal

End of Year School Materials Pick Up

CKS will be having a contact free pick up on the dates indicated below. Parents should plan to follow Colgate carpool procedures in order to pick up the materials at Franny's Garden. Parents should remain in their vehicles, and items will be placed in either the trunk or backseat. Families with multiple children should plan to come to campus during the time allotted for your oldest student's grade level. Items from students' lockers in the Community Center will be grouped with your families' things.

All CKS faculty/staff will wear masks and gloves during this process.
